PROFESSIONAL SUMMARY

MSc Computing and Technology student at Northumbria University (London campus) with a BTech in Computer Science and Information Technology. Skilled in Python, C, SQL and HTML, with hands-on project experience in speech emotion recognition (published research paper), an AI study chatbot and a personal portfolio website. Currently building skills in cloud computing (AWS) and Linux. Seeking tech roles and internships where I can apply my technical skills and grow as a developer.

EDUCATION

MSc Computing and Technology with Advanced Practice *2025 – Present*
Northumbria University, London Campus (second year)

BTech, Computer Science and Information Technology *2020 – 2024*
KL University, India | CGPA: 8.68/10

TECHNICAL SKILLS

- Programming languages: Python, C, SQL
- Web: HTML, full stack development
- Tools: VS Code, Git, GitHub
- Cloud and OS: AWS (IAM, EC2, S3), Linux
- Areas: Speech emotion recognition, chatbot development, website development

CERTIFICATIONS

AWS Cloud Practitioner | Microsoft Azure Developer (AZ-204) | ServiceNow Certified System Administrator (CSA) | TensorFlow

PROJECTS

Speech Emotion Recognition – BTech Project *KL University*
- Developed a speech emotion recognition system designed to run efficiently on resource-constrained devices.
- Published research paper: “Efficient Speech Emotion Recognition for Resource-Constrained Devices” (Semantic Scholar)

Forest Fire Detection – BTech Project *KL University*
- Built a cloud-based forest fire detection system to support earlier detection and more effective firefighting and prevention.

EDU Genie AI – AI Study Chatbot
- Designed and built a chatbot to support students with studying and learning.
- Developed in VS Code with version control and code hosting on GitHub.

Personal Portfolio Website vigneshsuprith-portfolio.vercel.app
- Designed and built a portfolio website to showcase projects and skills.
- Deployed online on Vercel and managed with Git and GitHub.

WORK EXPERIENCE

Retail Assistant – Sainsbury's, UK *Jan 2026 – Present*
- Recognised as a responsible and reliable colleague through consistent hard work.
- Work across multiple store operations, including tills, on-demand, replenishment, baler changes and shelf ticket changes.
- Serve customers and work as part of a team to meet daily targets and service standards.

Business Development Associate – Dhanvita Fintech Private Limited, Hyderabad, India *Jan 2024 – Jun 2024*
- Supported business growth by identifying and reaching out to prospective clients.
- Secured 2 MOUs and signed around 50 clients.
